Dear Shannon Ramsby,

After careful consideration, I wanted to notify you that I plan to retire at the end of the 2022-2023 school year. I have been an employee of the Colchester Public Schools for over 37 years. I began my career here as a student teacher in third grade. I was trained by the best of the best, and was fortunate to be hired upon graduation. I have had the pleasure of teaching third grade my entire career, touching the lives of hundreds of children. It was always a dream of mine to be a teacher, and it is truly who I am. This decision has been a very difficult one, as teaching is my passion. I cherish all of the wonderful memories of students and colleagues with whom I have worked. It is truly a special vocation. It is time for me to begin the next chapter of my life. Thank you for your support.
